Soham
Khochare
Computer Engineer

PROFILE

Studying at Fr. Conceicao Rodrigues College of Engineering aspiring to start the career in Computer Science in the field of software development, design, system analyst, integration, implementation, operations and support functions of mission-critical business solutions using IT as a tool.

WORK EXPERIENCE

Signzy Technologies Pvt Ltd
5th June 2023 – 20th July 2023
Worked as an **Intern** at Signzy Technologies.

TEDx CRCE
July 2023 - April 2024
Worked as an **Executive Designer** for TEDxCRCE for a whole academic year. Orgainsed and managed an Independent Ted talk event along with many other notable events.

ACHIEVEMENTS

Smart India Hackathod(SIH) 2023 FInalist
December 2023
At the Smart India Hackathon 2023, me and my team designed a smart education system for rural areas. Our solution utilized technology to offer interactive learning modules, remote teaching tools, and monitoring systems, aiming to improve access to quality education in rural communities.

IDE Bootcamp 2023
January 2023
At the IDE Bootcamp 2023, I engaged in a project centered on smart education systems. This immersive program provided invaluable resources and mentorship to refine our concept, empowering us to innovate and create impactful solutions for enhancing educational experiences.
